ASSIGNMENT

WHEREAS, I, Joel J. Gummesson, a citizen of the United States of America, and a resident of the City of Belchertown, and the State of Massachusetts, had invented certain new and useful improvements in a WATERFAST INK JET INKS CONTAINING A UV CURABLE RESIN for which I am about to make or have made application for Letters Patent of the United States; and

WHEREAS, Solutia Inc., a corporation duly organized under the laws of the State of Delaware and having its principal place of business at 575 Maryville Centre Drive, St. Louis, Missouri 63141 is desirous of acquiring an interest in, to and under said invention, said application, and any and all Letters Patent which may be granted for or upon said invention in the United States of America and all countries foreign thereto.

NOW THEREFORE, to all whom it may concern, be it known that for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, I, Joel J. Gummesson, have sold, assigned and transferred, and by these presents to sell, assign and transfer unto the said Solutia Inc. the full and exclusive right, title and interest, throughout the world, in, to and under the following:

- (a) said invention as fully set forth and described in the specification prepared, and executed by us preparatory to obtaining Letters Patent of the United States therefor;
- (b) said application;
- (c) any and all refilings, divisions, continuations and continuations-in-part of said application;

PATENT
Attorney Docket No.: 399429

- (d) any and all Letters Patent of the Untied States of America which may issue from said application, refilings, divisions, continuations and continuations-in-part;
- (e) any and all reissues and reexaminations of said Letters Patent of the United States of America;
- (f) any and all applications for Letters Patent upon said invention which may hereafter be filed in any and all countries foreign to the United States of America;
- (g) any and all refilings, divisions and continuations of said foreign-filed applications;
- (h) any and all Letters Patent of countries foreign to the United States of America which may issue from the said foreign-filed applications, refilings, divisions and continuations; and
- (i) any and all extensions of, and additions to, said Letters Patent of countries foreign to the United States of America.

ALL of the above shall be held and enjoyed by said Solutia Inc. for its own use and benefit, and for its successors, legal representatives and assigns, to the full end of the term for which said Letters Patent may be granted, and we do hereby authorize and request the Commissioner of Patents and Trademarks to issue the said Letters Patent in accordance with this Assignment.
